Thematic keyword : Erasmus+

Are you looking for :  Project Partners Topic/theme

Explain :

We are looking for partners for an Erasmus+ project focusing on rural areas through the eyes of young people.

We are looking for partners from all over Europe for an Erasmus+ project that focuses on the perception of rural life of the young generation, with the aim of understanding their input on the future of the countryside, how they would address the departure of young people to cities, and what they would do to benefit the countryside and its environment.

## Project theme:

Ideas about the countryside - What does the countryside need to be attractive to young people?

Preventing youth out-migration - What job and training opportunities would keep young people in the countryside?

Environment - How can the countryside contribute to nature conservation and sustainability?

The project will include workshops, exchanges and debates on the future of rural areas. We are looking for partners who are committed to rural development, youth and environmental protection.

If you are interested, please contact us. We look forward to working with you!
