Topic/theme

Explain :

..... Montluçon is a city in the center of France known
for its industry and historical heritage

..... The territory of the P.E.T.R. of Montluçon is rather
rural and there is ~~an~~ a problematic of
access to the services of the center city

..... It is also known for its beautiful landscape (great
Forest of Tronçais, valley of the Cher, bocage landscape)

..... We want to develop projects on the following issues:

- Landscape sensibilisation and valuation

- Cultural development (culture and heritage)

- Mobility in a rural territory

- Health services development (because of the lack of doctors)

- green
tourism
