 - Topic/theme

Explain :

Relations between rural areas and cities
 People who live in each area belongs to each other
 What is the governance issue and what basis
 can the relationship between these two realities
 be established?
 What are the successful experiences that can be
 analysed? (tourism - food - culture - traditions - landscape)
 Rural areas can be a context where to offer
 an event at a metropolitan level where to welcome
 citizens in order to create a constant flow of visitors
