- Are you looking for :
- Project
 - Partners
 - Topic/theme

Small business

Youth business

Explain :

1. Development of entrepreneurship and life skills of young people, participation in various processes. One of the projects activities - in cooperation with local businessmen and schools, interactive offers for getting to know different professions directly in the company. Further developing, as well as improving and developing life skills to overcome every day challenges.

2. Small business - its development, promotion of cooperation and creation of joint offers. Development of short supply chains (not only food products but also various other local goods and services).

3. Railway industrial heritage - opportunities for the development of the region. Fostering collaboration and networking.
