LOOKING FOR COOPERATION

Name : ROSA MARIA.....

Surname : RUBIO.....

Organisation : ADRAE - SPAIN.....

Email address : cooperacion@adrae.es.....

Are you looking for : Project

Partners

Topic/theme

Explain :

To teach the young people of the villages about the local heritage and etymology of the localities and have them teach visitors.

It's not about doing activities but about people getting to know their own territories, telling their close acquaintances about them and attracting them out of curiosity.

Many villages don't have a tourism technician or activities.

Don't let our towns die, it's everyone's commitment.
